HEALTH REMINDERS AND POLICY

Medical Policy

All children, prior to enrollment, are required to have yearly medical examinations completed and a statement from child's health care provider verifying the child to be in good health, immunizations up to date and child free from communicable disease according to the State guidelines and those of the Department of Health. Our Kids of the Kingdom medical form includes lead-screening results for children under 6 years of age. If our findings report that a child is missing any of the necessary immunizations, the parent will be notified and required to follow up with their child's primary care physician.

Parents must submit a copy of any and all updated immunizations as your child receives them, even if your child's annual medical exam is not due yet, as per New York State Licensing Requirements.

In addition to our Health Care Plan and Procedures here at Kids of the Kingdom, we observe your child's daily physical health. If your child becomes ill or displays symptoms of illness during the day, we will immediately isolate your child from contact with other children until you pick up your child. Therefore, immediate pick up is mandatory.

Exclusion Policy

For the safety and health of your child and the other children, please do not send your child back to the facility if they:

- Have symptoms of a possible communicable disease (RED ITCHY EYES, SNIFFLES, SORE THROAT, PAINFUL EARS, STOMACH PAIN, HEADACHE, OR DIARRHEA)
- Persistent diarrhea, defined as three or more stools in a 24 hours period, when that pattern represents:

2. A note from the doctor, stating the child's name, the name of the medication, the dosage, the times to administer, and a statement that the child care provider can administer medication.
3. A signed parent permission form to administer medication.

If your child has a communicable disease, please inform the program as soon as possible so that we can notify all parents and take the necessary disinfecting precautions here at our program.

Please note that in case of contagious illness we will notify parents by posting a notice in the building, and sending one home with each child. A child must remain out of the program for a 24 hour period, symptom free, before returning to school. If we send your child home during a session, we will send home a reminder of this precaution.
