## From The Pastor

### Pandemic Gratitude?!

“Pandemic Gratitude?” Seems like an odd thing to say during these times. Are we supposed to be grateful for supply shortages, long lines, widespread cancellations, fear, uncertainty, panic? While these reactions are very understandable, let’s take a step back and look at this through our Lenten lenses. While the COVID-19 virus is causing one pandemic, how about Lent causing a pandemic of a different kind, one of gratitude and action. Each Lent we are called to Pray, Fast and Give Alms. We are grateful for the opportunity to focus on the gifts we have been given, reflect on how to use these gifts responsibly for the furthering of God's kingdom here on earth, and then act. So, firstly, for what can we show gratitude?

We are grateful and **PRAY** for...

- Government leaders who have taken bold actions to keep us safe.
- Technology that allows us to stay informed and connected even when we are encouraged to maintain social distance.
- Medical science and researchers who are working around the clock to find a cure.
- Medical personnel, doctors, nurses and first responders who are on the front lines risking their own health to care for those who are affected.
- School administrators and teachers who are working to continue the education of our youth as seamlessly as possible.
- Custodial, maintenance and cleaning staff who work endless hours to disinfect and sanitize our buildings.
- The Pope, Bishops and all our Clergy who continue to provide for our spiritual nourishment.
- All those who are actively placing the common good ahead of personal gain.
- The return to health of all those affected, their caretakers, medical providers and those working for a cure.

While we can pray and be grateful for all of those who are working to ensure our health and safety, it is natural to feel overwhelmed and, perhaps, that there is nothing we can do to help. But, in reality, there are many ways to use our gifts given to us by our generous God to come to the aid of others.

Continuing our Lenten journey, we can **FAST** from...

- Selfishness by purchasing more than we really need so that others can have what they need.
- The panic and anxiety that surrounds us and remain calm and responsible.
- Negative thoughts and trust in the Lord's love and strength for us to move forward following the advice of our local leadership.
- Self-centered actions fueled by fear and turn ourselves outward to contribute to community awareness and solutions.

Finally, we can practice **GIVING ALMS** and performing acts of charity to...

- Assist our neighbors, especially the elderly and most vulnerable, by shopping for them and taking care of their errands when they cannot.
- Remember to wash our hands for at least 20 seconds. Instead of singing, why not pray The Lord’s Prayer and the Hail Mary? That will be a bit longer than 20 seconds, but a few more moments of prayer won’t hurt!
- Be mindful that while many of us cannot attend Mass at this time, we can still save and mail our offertory gift to our parish or bring it with us when we are able to return to continue the mission of our Church.
- Stay home if we don't feel well or if we are instructed to do so.

Do you recognize something here? Aren’t these all things we are called to do anyway as responsible members of society? Yes, there is fear and uncertainty, but it is also a time to focus on the scriptural mandate to “*Be Not Afraid.*” For in these times, and all times, we know and trust in God’s Word, “*the light that shines in the darkness and the darkness has not overcome it.*” (Jn 1:5) It is a time to use our gifts responsibly to face not only this, but all the challenges in our lives.

## **CATHOLIC SOCIAL TEACHING - Cultural Diversity in the Catholic Church**

Christian anthropology teaches us that the human person, each one of us, is created in the “image and likeness of God.” This means we are created with the same inalienable dignity of sons and daughters of God. No matter our skin color or ethnic or cultural origin, each is a beautiful reflection of the Creator, whose life must be valued and treated with honor and respect. Before He ascended into heaven, the Lord said to His followers, “Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, teaching them to observe all that I have commanded you.” The Church exists to evangelize, to go and to make disciples. A Church that doesn’t go out, that doesn’t reach out to people to bring them into her bosom, is either dead or has lost her purpose, like salt that has lost its taste. (*One Church, Many Churches*, USCCB, 2019)

### **Act Now: Tell Officials to Include “Home Stability Support” in NYS Budget**

As towns and the entire world confront the coronavirus, lawmakers in Albany still must pass a budget by April 1. More than 150,000 children and 80,000 families are almost homeless. The Home Stability Support program is a responsible way to help families on public assistance stay in their homes and out of dangerous shelters. In a time of pandemic, this is most urgent. It will reduce taxpayer costs by preventing evictions and reduce use of emergency shelters and homeless services. The “Shelter Supplement” will support 85%-100% of fair market rent. Recipients will receive help to avoid homelessness and achieve long-term housing stability.

Take a moment to go to the New York State Catholic Conference at [www.nyscatholic.org](http://www.nyscatholic.org) and click “Take Action” and then “Latest Action Alerts” to urge our officials to Include Home Stability Support Program in State Budget.

**Thank You...** to the Ancient Order of Hibernians of Babylon for their recent food drive and all who faithfully place items in our pantry bin throughout the year. With your help, we can assist over 100 families each month.

### **New Psalm Music at Our Lady of Grace!**

Song leaders will transition to the Psalm versions that match the text in our missalette, “Sunday’s Word.” This is a challenge for singers unaccustomed to Chant and for young singers reading the missalette that uses a few complicated words. Be patient and supportive with the psalm music, we will get better and better! Sheet music to match every Sunday in our missalette is \$35 per book. The most frequent song leaders will receive their own book, others will be shared among choir song leaders. Eight books have been ordered for a cost of \$280 plus S&H. Over the summer, we hope a parish concert will offset these costs. In the meantime, any donations now are greatly welcomed. Thank you, we hope you enjoy the music!

### **The Rose For Life Update**

Unfortunately, the florist has informed us that the delivery of the Rose for Life has been suspended until further notice. All those who will be affected by this will be rescheduled at a later time.
